

The City of San José is building new, larger community centers in order to better serve our residents. Existing City staff will be consolidated into these facilities providing an opportunity for outside organizations or businesses to assume operational responsibility for select sites. Before any transition takes place, ***we want to hear from you.*** Please let your voice be heard by completing the survey below. Completed surveys can be emailed to: [cynthia.bojorquez@sanjoseca.gov](mailto:cynthia.bojorquez@sanjoseca.gov), mailed to 200 E.
